Subject: Notification of Closure of SPARK Rwanda

PRESS RELEASE

SPARK Announces Forthcoming Closure of Its Operations in Rwanda

Kigali, Rwanda — 12 November 2025

Stichting SPARK, a Dutch non-governmental organisation committed to promoting entrepreneurship, youth employability, and job creation, announces the forthcoming closure of its operations as SPARK Rwanda.

Since establishing its presence in Rwanda, SPARK has successfully implemented various programmes supporting youth, women, and small businesses — strengthening local entrepreneurship ecosystems and contributing to sustainable employment opportunities. Through partnerships with government institutions, educational centres, and private sector actors, SPARK Rwanda has supported the growth of local enterprises and empowered young Rwandans with the skills and opportunities to thrive in the labour market.

As SPARK Rwanda no longer has active programmes in the country, it has been decided to conclude its activities and proceed with the formal closure of SPARK Rwanda, in full compliance with Rwandan laws and regulations.

SPARK expresses its sincere gratitude to the Government of Rwanda, its partners, beneficiaries, and all stakeholders for their valuable collaboration and support throughout the organization's years of work in the country.
