Tender notice for hiring individual national consultants to execute key components of OEPSD capacity-building plan

Over the past five years, OEPSD's operational capacity to deliver on its institutional mandate has been constrained by restricted access to donor financing, driven by the enduring socio-economic impacts of the COVID-19 pandemic and an increasingly competitive global funding landscape. In response to these headwinds, the organization instituted strategic cost-containment measures—including streamlining operational structures, rationalizing program footprints to prioritize high-impact interventions, and maximizing the support of dedicated volunteers. To revitalize and sustain institutional efficiency, OEPSD has secured a capacity-strengthening grant from the United Nations Population Fund (UNFPA). In this regard, OEPSD is seeking to recruit **five (5) individual consultants** to execute key components of its institutional capacity-building plan, specifically:

- **Consultancy 1:** Formulation of the OEPSD Strategic Plan (2027–2031)
- **Consultancy 2:** Development of the Institutional Prevention of Sexual Exploitation, Abuse, and Harassment (PSEAH) and Safeguarding Policies
- **Consultancy 3:** Facilitation of Staff and Volunteer Training on Values Clarification and Attitude Transformation (VCAT) and Safeguarding Principles
- **Consultancy 4:** Capacity Building of Staff and Volunteers on Out-of-School Comprehensive Sexuality Education (CSE) Delivery
- **Consultancy 5:** Training of Community Volunteers on Savings and Internal Lending Communities (SILC) Methodologies
